

Parent Club/Room Reps

I am excited to start Parent Club this year. Next Wednesday, September 14th, at 6pm, Parent Club will meet in the third grade classroom. We will have sign up sheets in the main hall on Back to School Night, next Tuesday, for Room Reps.

**The purpose of The Parent Club is to review and plan for upcoming events that help build community and support for our school.

The leader of Parent Club will be asked to:

1. Facilitate meetings
2. Get leaders for each event and offer support
3. Send communications and update the hallway board
4. Manage and report on funds spent and remaining
5. Appoint someone to take minutes
6. Automatically earn their 30 parent hours by being the chair of the Parent Club

We ask that there are at least two room reps for each grade level. The expectation being that at least one of the Room Reps from each class be present at the monthly Parent Club meeting.

Room Reps will be asked to:

1. Manage class parties
2. Coordinate class auction project, Due Nov. 18th
3. Act as a liason between teacher and Parent Club
4. Help gather volunteers for events as presented by the Leader of Parent Club
5. Attend Parent Club meetings

If you are not sure about your level of interest, I ask that you attend next Wednesday's meeting and hear a little more about the details ahead this year. Remember, any time you attend PC you earn hours on you service agreement and everyone is welcome. I can't wait to get our group gathered and work together on making memories for our kids in this year ahead.

Thank you,

Mr. Mucken
